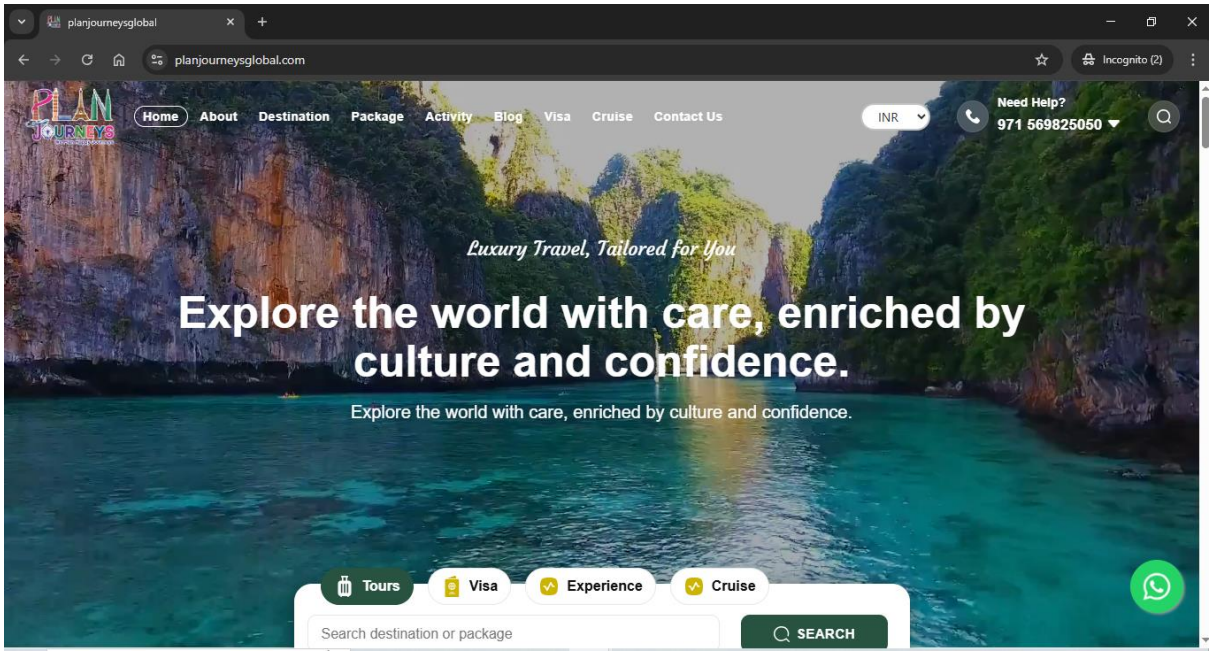
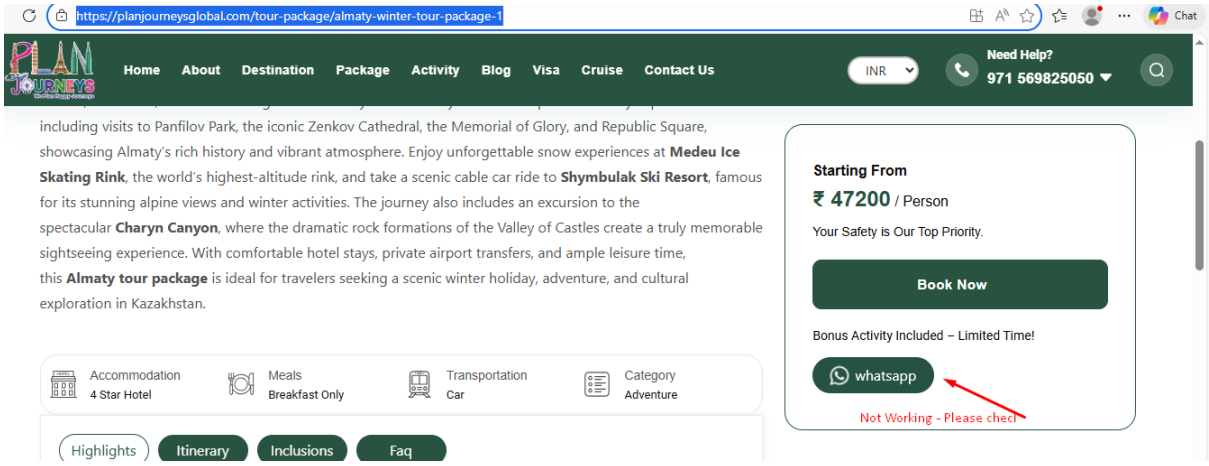
planjourneysglobal

Note:- Sir site lodeing time video aata hai: (Incognito me bhi check kiye hai)

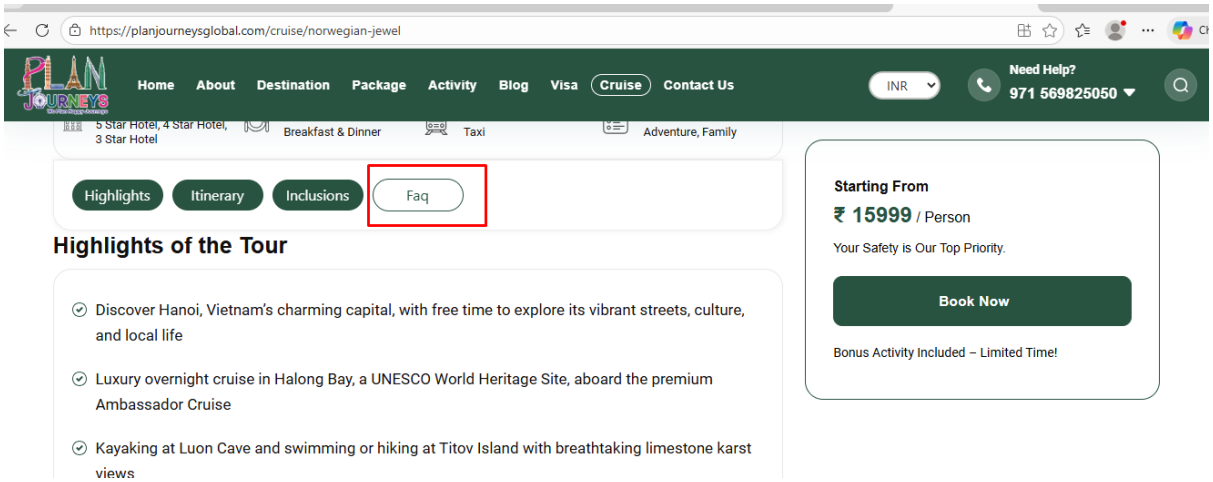


1. Whatsapp click – URL and msg not right

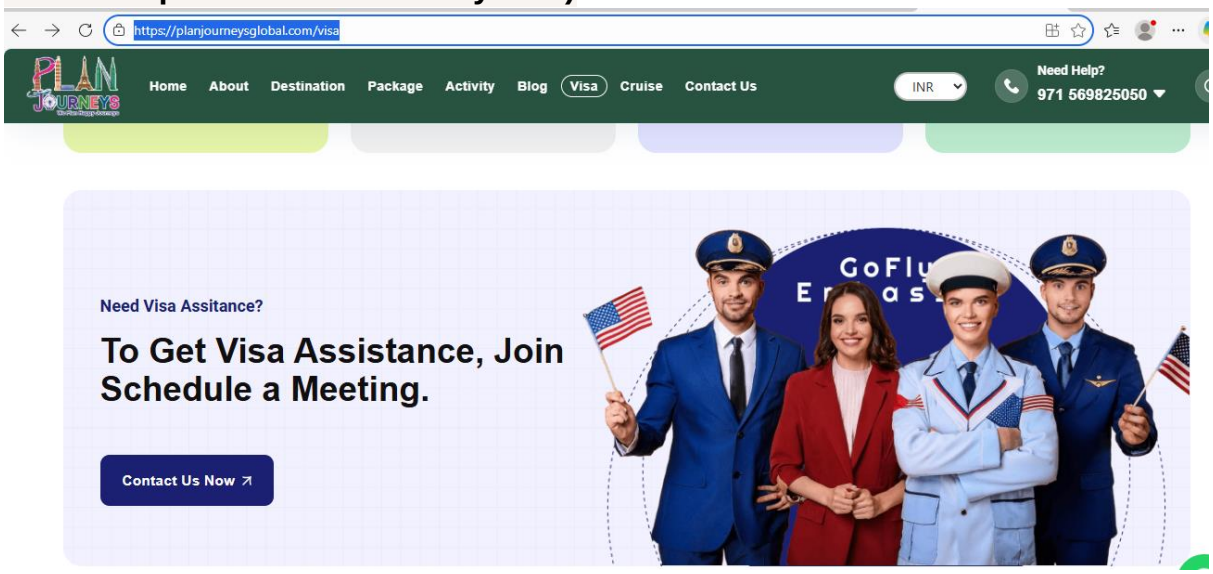


2. Tab not click working (FAQ) in cruise page

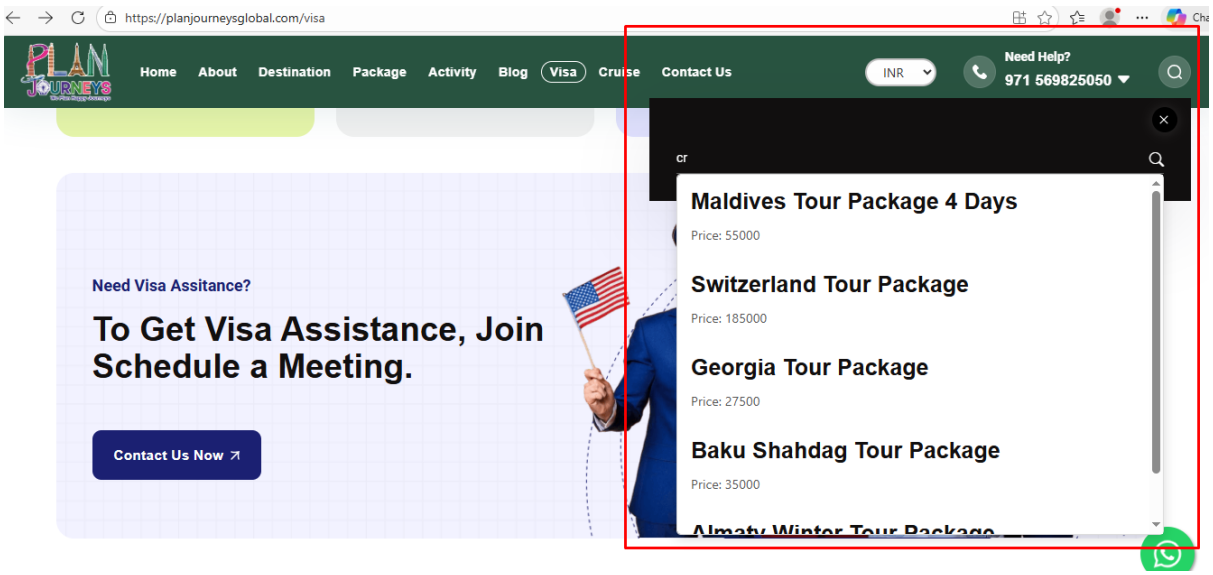
[Norwegian Jewel]



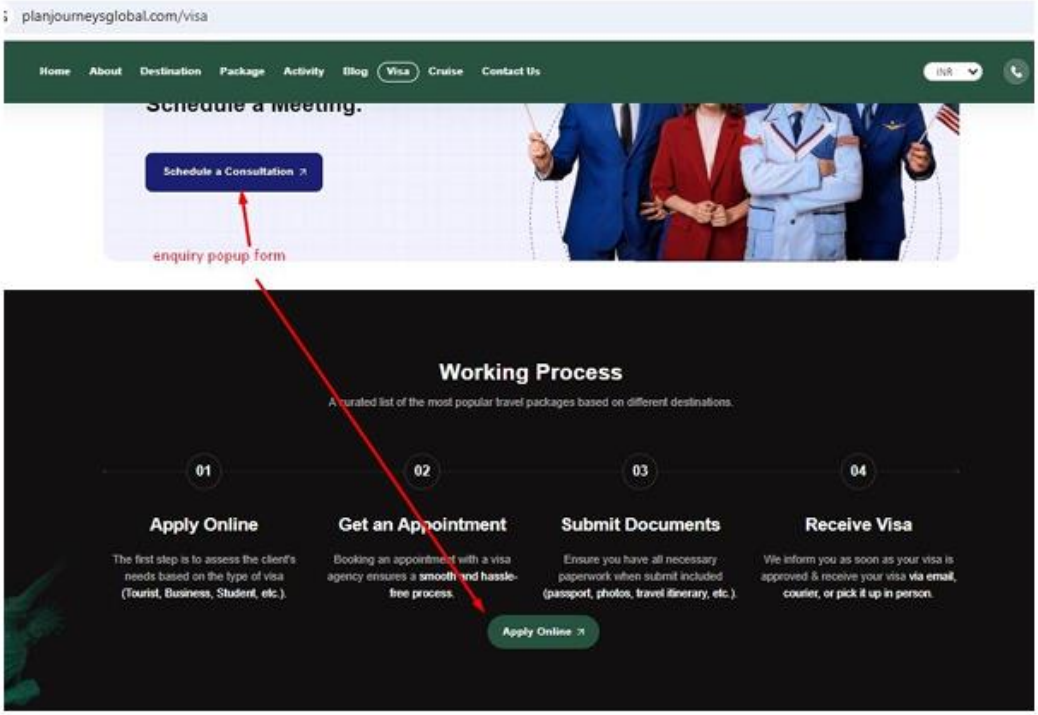
3. **This section was being worked on by the admin (last meeting me baat huaa tha. Form pe. Hame form chahiye tha)**



4. Not Done Top Search

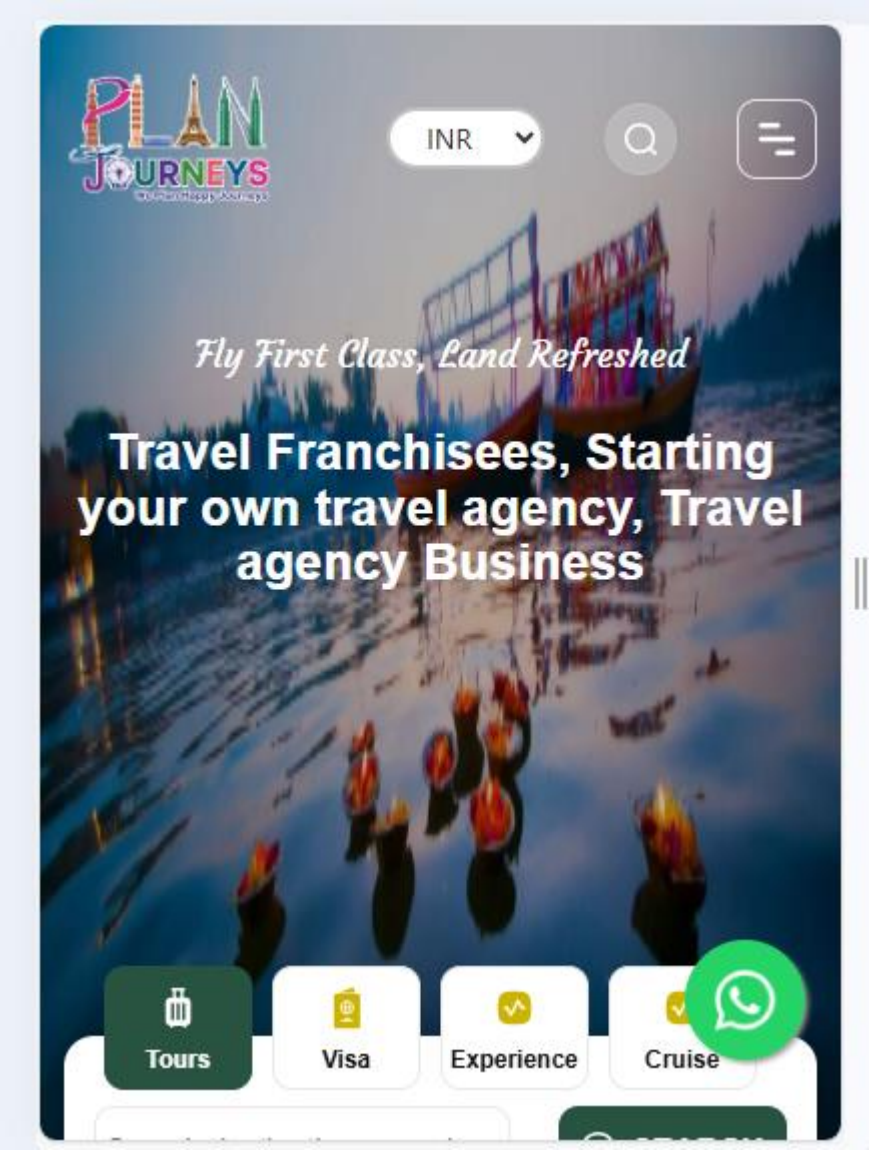


5. We are not impressed by your thoughts.



enquiry popup form – we have already given form on details page we could not more api it will slow website and loading times

6. Mobile view banner not good



sir mobile view recheck karna chahiye aapko:-
sare section box ka content dekhiye
