planjourneysglobal

Note:- Sir site lodeing timevideo aata hai: (Incognito me bhi check kiye hai) -

1. Whatsapp click – URL and msg not right -Working

2. Tab not click working (FAQ) in cruise page

Norwegian Jewel - Tab is working

3. **This section was being worked on by the admin (last meeting me baat huaa tha. Form pe. Hame form chahiye tha)**

4. Not Done Top Search - top search isonly for packages

5. We are not impressed by your thoughts.

enquiry popup form – we have already given form on details page we could not more api it will slow website and loading times

6. Mobile view banner not good

sir mobile view recheck karna chahiye aapko:-
sare section box ka content dekhiye
